

How to Check Your Admissions Application Status

1. Go to GwinnettTech.edu/Banner
2. Select "Apply for Admissions/Check Admissions Status"
3. Enter your Login ID (Social Security # or 900 #) and PIN (6-digit birthdate MMDDYY)
For technical assistance, contact GTCRecruitment@GwinnettTech.edu
4. Under "Processed Applications," click appropriate term (ex. "Fall Session 2020")
5. Look at "**Application Status**" and "**Decision**" fields
 - **If** the fields read "*Application Status: Decision Made*" and "*Decision: Accepted*" **then** you have completed your application file and been accepted to the college. You are eligible to register during the upcoming registration period (see [Academic Calendar](#)).
 - **If** the fields read "*Incomplete: Items outstanding*" and "*Decision: Pending*" **then** your file is missing required items.
6. Scroll down to view the **Requirements** section. View the **Received** column.
 - Items **with** a date in the Received column have been received and added to your application file.
 - Items **without** a date in the Received column have not been submitted and/or added to your application file.
7. If you recently submitted the required items, please allow up to 7-10 business days for processing.
