Cardiovascular Technology Degree Application Instructions

Fall 2023 Application and Prerequisite Deadline: June 8, 2023

Student must be currently enrolled at or accepted to Gwinnett Technical College to pursue admission to the Associate Degree Cardiovascular Technology program.

Step 1: Complete the attached Cardiovascular Technology Degree application form. Read the instructions and application requirements very carefully. This is a writable form and does not need to be printed out. Please save to your computer and fill out the form and save it back to your computer once you have completed the application. Before you email your application, please check all of your attached documents to make sure your application is complete and make changes if necessary to your application before you submit it to healthapp@gwinnettech.edu. If there is any missing information or documentation, we will reject your application and you will receive an email why your application was rejected. You will need to correct these items and return the application and all documentation before the June 8th deadline.

Step 2: Review your Gwinnett Technical College Transcript to confirm that all prerequisites are accurately reflected.

To review & save to your computer your Gwinnett Technical College academic transcript:

- Log on to gwinnettech.edu/dashboard/
- Click on "Student/Faculty Secure Area"
- User name: FLLLLLXXXX (F=first initial lowercase L=first 6 of last name lowercase XXXX= last four digits of student 900 number)
- Password: Enter default (gtcmmddy) or your customized password).
- Click on "Student Services and Financial Aid"
- Click on "Student Records"
- Click on "Academic Transcript"
- Click on "Submit"

When you pull up your transcript in Banner Web right click on the page and select print, in the destination field, select SAVE AS PDF and save to your computer to attach to your email with your application.

***NOTE TO APPLICANTS EXPECTING TRANSFER CREDIT:** Applicants will need to be accepted into Gwinnett Technical College at least **4 weeks prior to the June 8th deadline** to ensure that transfer credits have enough time to be evaluated and transferred in. The process of evaluating official transcripts does not begin until a student is accepted and can take between 4-6 weeks. Once the official evaluation process is complete, the credits that have been accepted will be transferred in and will show on your Gwinnett Technical College Transcript. If any pre-requisites have been taken at other institutions and are not reflected on your Gwinnett Technical College transcript 4-6 weeks after acceptance, **or** if you are accepted less than 4 weeks prior to the June 8th deadline, please e-mail the Healthcare Team at HealthTeam@GwinnettTech.edu.

Step 3: Schedule an appointment to take the TEAS Exam:

- **The ATI TEAS Exam is offered by appointment at the Gwinnett Technical College Assessment Center and will be given on campus and remotely.**
- **The ATI TEAS exam must be taken between June 9, 2022 and current application deadline of June 8, 2023.** A copy of the score report must be submitted with your application packet.
- **The cost of the ATI TEAS exam is \$107, which is paid online directly to ATI TEAS at the time your appointment is made. NO REFUND is available.**
- **The minimum score to apply is 75%.**
- **Students must register for the ATI TEAS Exam at atitesting.com.** Please create an account and select **Gwinnett Technical College AH (Allied Health)** as your institution.
- Applicants may take the ATI TEAS Exam a **maximum of 2 times per application cycle at Gwinnett Technical College. No wait period between exams.**
- **Students may also test at other institutions and have an official score report sent electronically from ATI to Gwinnett Technical College. Note: *We accept both the ATI TEAS for “Allied Health” and ATI TEAS for “Nursing Students” results. All scores must have been sent officially from ATI to Gwinnett Tech and received by our Assessment Center in order for student's to apply. A copy of the official score report must be submitted as part of the application packet. Students may obtain this score report from the GTC Assessment Center.***
- **The highest ATI TEAS Exam score earned within the application cycle will be accepted.**
- **To request an ATI TEAS transcript, visit atitesting.com and:**

- Click on Student Home page; select My Results tab; select Share Results link; select **Gwinnett Technical College AH** as your institution; click continue to open the Shopping Cart, and then click Check Out to open the secure checkout page. ATI TEAS Exam transcripts are \$27.00 and is paid directly to ATI TEAS.

Step 4: Complete the **Cardiovascular Technology Degree Application Form** with all required information. Attach all required documentation to your email as separate documents.

Be sure to attach a copy of your current:

Gwinnett Technical College Cardiovascular Technology Degree Competitive Selection Application

The Cardiovascular Technology program requires the following courses to be completed by the application prerequisite deadline. Each course must be completed with a minimum grade of "C." In addition to earning a minimum grade of "C" in each course, an overall GPA of 3.0 must be earned in the required prerequisite courses. A student may retake a course, however only the most recent attempt will be considered for the prerequisite GPA calculation used for this **initial screening process**. The final selection process will include additional criteria such as, prerequisite GPA, ATI TEAS Exam results, etc.

Please identify where and when each course was completed, and the letter grade attained. If you repeated a required course, please list information related to the **most recent attempt**. Gwinnett Technical College must have an official transcript on file for each college previously attended. Please view your Gwinnett Technical academic transcript through Self-Service BANNER Web to find the dates and grades for specific courses completed with Gwinnett Technical College.

**Course must have been completed within 10 years of the competitive prerequisite deadline.

Please initial next to each statement, signifying that you have read and understand the information; then sign and date below.

- I have attached an unofficial copy of my Gwinnett Technical College transcript downloaded from GwinnettTech.edu/dashboard/ and, if applicable, all my transfer credits are accurately reflected therein.
- I understand **FYES 1000** (unless exempt) must be completed with a “C” or higher to meet graduation requirements. Students are strongly encouraged to complete **FYES 1000**, a **Humanities Elective**, and **PSYC 1101** prior to the program start to meet graduation requirements.
- I understand that all prerequisites marked with an asterisk (*) above must have been completed within 5 year of the application deadline and all courses marked with two asterisks (**) must have been completed within 10 years of the application deadline. BIOL classes completed prior to Summer Semester of 2018 will be considered expired and PHYS 1110 classes completed prior to Summer Semester of 2013 will be considered expired. Expired classes must be retaken or an exemption exam passed within the current application cycle in order to apply. Information on exemption exams can be found at gwinnettech.edu/programs/assessment-testing-center/exempt-out-of-coursework/
- I understand that completion of prerequisite courses and meeting other minimum requirements does not guarantee selection to the Cardiovascular Technology program, as there are a limited number of seats available in the occupational and clinical courses. Candidate selection is based on a competitive selection process, which includes prerequisite **GPA of 3.0** or higher and **ATI TEAS Exam Score of 75%** or higher, mandatory orientation, etc.
- Please be aware that our partner clinical sites are requiring students to complete their COVID-19 vaccine series. Each clinical site reserves the right to deny a student entry based on their own policies and procedures. If a student does not have all required immunizations and tests, the student may have limited access to clinical sites, which may delay or prevent program completion. As a result, successful completion of the program may not be possible.
- I understand this application, along with all course information and supporting documents (**driver’s license, Permanent Resident card if not a US Citizen, and ATI TEAS Exam score report**), must be emailed to HealthApp@GwinnettTech.edu. Or if you would like to submit your application in person, you may do so by scheduling a QLess appointment with an Enrollment Advisor on the Lawrenceville or Alpharetta-North Fulton campus by the application deadline of June 8, 2023. **I also understand incomplete packets will not be considered for the Cardiovascular Technology program.**
