

# Speed Friending

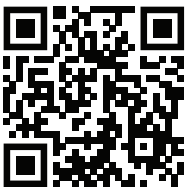

**Wednesday, March 27, 12-1 pm**

**Student Lounge, Room 220 (by the bookstore), LAW Campus**

Speed Friending helps people discover new friendships in a low-key environment. Students will have an opportunity to spend a short amount of time with a lot of different people without feeling the pressure of having to start a conversation with a stranger. During this live event, you will be paired off briefly with another student to answer interesting questions, and then rotate to the next person. Join us for lots of fun and interaction with other GTC students! Make connections and a few new friendships, because college and life are easier when you have friends to share and laugh with, and experience things together.

**RSVP  
REQUIRED  
TO ATTEND!**

***Come out to meet, greet, laugh and have fun!  
Seats are limited, sign up today!***
