Additionally, students must meet with an Enrollment Center advisor prior to registration to complete a contract that outlines a plan to support their academic success.. Readmitted students who do not achieve a minimum 2.0 (C) grade point average for the first semester of re-enrollment will again be academically dismissed from the college and will not be eligible to return for another full semester from the ending of the semester of dismissal. Students not enrolled for two or more semesters must reapply to the college.
