7.1.3 GT Facilities

Instructional Facilities

All instructional areas are appropriate for the number of students enrolled and the type of learning activity. All instructional programs are housed in such a manner that they are neither disrupted by nor disruptive to other instructional areas. All necessary utilities are provided within the classroom or lab. All instructional facilities are accessible to the disabled or can be modified when exceptions arise.

Non-instructional Facilities

All non-instructional facilities of Gwinnett Technical College are adequate and appropriate for the number of students and / or staff requiring their use. The long-range plan includes modifications in facilities where necessary as growth of the college continues.

Equity

Physical facilities, including restrooms, lounges, laboratories, classrooms, offices, and others, are equally accessible to male and female students and staff. Physical facilities, including restrooms, lounges, laboratories, classrooms, offices, and others, are conveniently accessible to disabled students and staff. Special fixtures and modifications ensure accessibility for disabled persons. If an unanticipated need arises, modification or adaptations are made to meet the need.
