7.3.18 GT Utility Failure Emergency Response

A utility failure is a gas leak, electrical power failure, telephone service interruption or broken water or sewer pipe that may present a hazard to the occupants of the facility.

- In the event of a major utility failure 24 hours, Monday through Saturday, immediately contact College Police at 678-226-7377 or 911. College Police will contact Facilities as needed.
- If there is potential danger to building occupants or if the utility failure occurs after hours, weekends, or holidays, notify College Police. Also, College Police will be responsible for contacting the Facilities Director and 911.
