

GWINNETT
TECHNICAL COLLEGE

FY2026-2030 Strategic Plan

PRESIDENT'S MESSAGE

Gwinnett Technical College has placed planning, assessment, evaluation and action as the core tenets of all processes and operations of the College. The College has chosen to plan, not based on resources we have, or capabilities that are known, but to embrace planning and strategic vision on what we believe the College should, can and will be. The tenets of student success and service to our business and industry community will always be the focus of our decision making. Our Strategic Plan is based on data and analysis, involving current and future stakeholders in the College. We believe the plan identifies strategies to address our opportunities for improvement while capitalizing on our strengths. Planning ensures we continue to provide the services our students and business community need in order to provide the best opportunities for success. Planning ensures we are good stewards of valuable resources in a highly competitive world. Strategic planning and continuous critical analysis ensure Gwinnett Tech remains a viable and essential component of the community, influencing the socioeconomic well-being of our Gwinnett and North Fulton County service areas. Gwinnett Tech's Strategic Plan identifies goals and strategies, moving the College into an even more important role as the connector of education, careers, business, service and success.

Career-focused education for real-world jobs.

Vision

Teach every adult; serve every business.

Mission & Purpose

Advance the knowledge of individuals to enrich lives and develop workforce opportunities. Gwinnett Tech, a unit of the Technical College System of Georgia, is a public two-year college that serves the communities of Gwinnett and North Fulton by offering campus and distance learning for associate degrees, diplomas, and certificates in credit programs; as well as adult and continuing education training.

Values

What we have:

- Integrity: We say what we mean, we treat people with respect, and we honor our promises.
- Commitment: We are devoted to our job, accountable to our students, our peers and our leaders.
- Excellence: We strive to excel in all we do.

What we provide:

- Customer focus: We believe that the students and businesses we serve are our customers and we strive to consistently meet or exceed their expectations.
- Adaptability: We embrace diversity and are resilient in our goal to serve an all-inclusive audience.
- Leadership: We recognize our duty to lead our students and serve our community.
- Lifelong learning: We believe education to be the paramount foundation for continuing success.
- Innovation: We foster an environment that nurtures creativity and emerging technologies.
