

President Dr. D. Glen Cannon

Vision Teach every individual; serve every business.

Mission & Purpose Advance the knowledge of individuals to enrich lives and develop workforce opportunities. Gwinnett Tech, a unit of the Technical College System of Georgia, is a public two-year college that serves the communities of Gwinnett and North Fulton by offering campus and distance learning for associate degrees, diplomas and certificates in credit programs; as well as adult and continuing education training.

Year Established 1984

Degrees Offered Associate of Applied Science Degree (AAS), Associate Degree in Nursing (ADN) and Associate of Science (AS) as well as over 50 programs awarding diplomas and short-term certificates.

Accreditation Gwinnett Tech is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate degree.

Gwinnett Tech is the second largest technical college in Georgia by credit enrollment, and is also known for its large non-credit offerings in continuing education, adult education/GED programs and ESL (English as a Second Language).
