- I am a 10th, 11th, or 12th-grade student enrolled in a Georgia public high school participating in the Accelerated Career Pathway (ACP) program. The pathway I select must be completed by the time I graduate high school.
- I have met with my high school counselor to verify I am on track to complete the nine (9) required high school courses.
- I grant Gwinnett Technical College permission to release academic information to my high school. This information includes grades, class schedules and transcripts to support my academic success and verify high school graduation requirements.
- I acknowledge that I cannot be accepted into the Accelerated Career Pathway (ACP) program until I have completed the GSFAPP funding application.
- I must complete the [GSFAPP \(ACE Grant\) funding application](#) prior to the end of my selected term of enrollment.
- **Male Students:** To receive Dual Enrollment funding, I understand that I must register with [Selective Service](#) at least one month before my 18th birthday. Failure to register will result in a pause of funding until the registration is completed.

- I understand that if I choose not to participate in Accelerated Career Pathway (ACP), I will be **ineligible** for ACE Grant funding for future terms.

- I agree to hold harmless and expressly waive any legal claims made against Gwinnett Technical College or the Technical College System of Georgia with regard to authorized actions maintained by the technical college, or out-of-pocket payments for Dual Enrollment/Accelerated Career Pathway (ACP) courses.
- Once accepted into Gwinnett Technical College, I must schedule an appointment with my [college advisement team](#) to review my desired pathway before I am allowed to register for classes.
- I understand that an active registration hold will remain on my account until I have met with my college advisor.
- I understand that it is my responsibility to stay on track for the completion of my chosen pathway. I can monitor my progress by checking DegreeWorks, located in the Banner Student dashboard.
- I will contact my Enrollment Advisement team to submit a Change of Major form for approval. I acknowledge that I can track the status of Change of Major request through DegreeWorks, located in the Banner Student dashboard.
- I understand that a high school IEP/504 plan does not automatically transfer to college. If I require academic accommodations, I must contact the Office of Special Populations or Disability Services to submit a [New Student Disclosure Form](#) or a [Disability Services Intake Form](#).
