7.3.17 GT Parking in Gated Area

Parking inside the gated area (building 100) will be restricted to permits issued to those disabled students, staff and faculty confined to a wheel chair or other apparatus used for ambulatory purposes. These permits will be granted by the Office of Campus Police.

The President, VPSA, VPAS, VPAA, and VPTO shall have designated parking at their desired location at building 100.

In addition, all Gwinnett Technical College owned vehicles will have assigned spaces within the gated area.

Police personnel may also park personal vehicles within the gated area during their assigned work hours in order to allow secure and efficient transport of firearms during shifts.

Those limited remaining spaces will be reserved for loading and unloading for a period not exceed 30 minutes.

Final permission for any other vehicle parking within the gated area shall be the responsibility of the Campus Police Chief.

Primary responsibility for enforcement of this policy will be administered by the Office of Campus Police.
