6.2.5 GT TCSG - Gifts, Honoraria, and Expenses

Gwinnett Technical College abides by TCSG’s (Technical College System of Georgia) procedure 4.3.2p3 that requires all state employees to “work solely for the public good” and “not for any financial or other personal benefit”. This policy aligns with the requirement of the DoD MoU paragraph 3.j.(2), stating that institutions are required to “Refrain from providing any commission, bonus, or other incentive payment based directly or indirectly on securing enrollments or federal financial aid (including Tuition Assistance funds) to any persons or entities engaged in any student recruiting, admission activities, or making decisions regarding the award of student financial assistance.”
