

Gwinnett Technical College 2026-2027 Competitive Program Admissions Criteria

Healthcare Program Applicants are placed in the **Interdisciplinary Studies Degree** program by concentration until all requirements are met by the deadline below and the student is accepted into their program of choice.

Program Application Packet Deadline is the final date that all required documents must be submitted to HealthApp@GwinnettTech.edu.

If the deadline date falls on the weekend or holiday, packets will be accepted through end of day the following work day.

Prerequisite Deadline is the final date that ALL required prerequisites must be fully completed.

Required Prerequisite Courses: The length of time to complete program pre-requisites varies depending on applicant's transfer credit and/or testing results. **FYES 1000** must be completed within the student's first two semesters, unless it is waived for prior credit completed or a previously earned degree.

Nursing Bridge students must submit Nursing Program Employee Verification Form reflecting one year of healthcare work experience by the Program Application deadline to NursingDivisionSupport@GwinnettTech.edu. Find the form at <https://gwinnettech.edu/enrollment/forms-documents/>

Prerequisite TIME LIMITS: BIOL, ALHS, and BUSN classes have a 5-year time limit from the Program Application Packet Deadline.

CHEM and PHYS courses have a 10-year time limit from the Program Application Packet deadline.
