

HIGH SCHOOL GROUP TOURS

About Our Tours!

Whether you're a counselor, teacher, or administrator, we invite your students to come tour our campus.

Our group tours are designed for 10 or more guests. We make it easy to bring your students (grades 10-12) to campus for a visit.

Group tours can be scheduled Tuesday through Thursday and are hosted from 10 a.m. - 12 p.m. Connect with us today to coordinate a visit.

Tour Highlights

▶ Customized Tours

We tailor your visit to align with your group's specific academic interests. You will step inside our specialized labs, experience our campus community and see what's next!

▶ Information Session

We start each tour with a 25-minute info session designed to introduce you to our school and walk you through everything you need to know about applying.

▶ Learning Labs

Your group will tour our hands-on learning labs to understand how we prepare our graduates for the workforce.
