

The GACE Paraprofessional Test is now Administered through Pearson Vue, you may choose **Gwinnett Technical College** as your Test Center Location.

To register for the GACE Paraprofessional (Test 349) assessment, you must first create a testing account and pay the testing fee to Pearson Vue. The assessment is available to take year-round at Gwinnett Technical College

Follow these steps to register:

Step 1: Obtain Your GaPSC ID

Before you can register, you need a Georgia certification ID (GA CERT ID).

- Visit the [GaPSC Website](https://www.gapsc.com/) (https://www.gapsc.com/) and create a **MyPSC account**.
- Once your account is complete, you will receive your **GA CERT ID**.

Step 2: Create a GACE Testing Account

- Navigate to the [GACE Evaluation Systems](https://www.gace.es.pearson.com/) (https://www.gace.es.pearson.com/) testing portal.
- Click **Create an account now** to set up your online testing profile. Ensure all personal details exactly match your legal, valid photo ID.

Step 3: Register and Schedule Your Test

- Log in to your GACE testing account and select the **Paraprofessional (349)** assessment.
- Answer the required background questions and choose your score reporting options.
- Select **Gwinnett Technical College**
- Select an available date and time.
- Submit your payment of using an accepted credit/debit card.

Step 4: Prepare for Testing Day

- Review the GACE Paraprofessional [Preparation Materials](https://www.gace.es.pearson.com/test/349) (https://www.gace.es.pearson.com/test/349) to familiarize yourself with the 90 questions and the 2-hour time limit.
- Make sure you bring an original, valid, and unexpired government-issued ID (such as a driver's license or passport) containing your signature and recent photo to the Test Center the day of the test.
